FRIES BOXES

Customized fries packaging

A french fry holder is a container that will hold a specific capacity. Typically, a french fry holder is used to contain the food to a certain area on your dish.

TISSUE BOXES

Customized tissue boxes

Tissue boxes are made out of cardboard, so they can be recycled alongside larger cardboard packages.

PAPER BAGS

Paper bags provide strong product protection: high-quality kraft paper is made from 100% natural Fibres from european forests. A special arrangement Of the long fibres results in a high binding capacity, which gives kraft paper a unique strength.

PIZZA BOX

The pizza box or pizza package is a folding packaging box Made of cardboard in which hot pizzas are stored for Take-out. The "pizza box" also makes home delivery And takeaway substantially easier.
